

Antonio Caleari

As **Associate Partner** in **IBM Consulting** my role is to offer, design and lead transformation projects for Insurance Clients. My activities are common spread on different core areas like claims, Technical Dept., Sales and Marketing as well as Controlling and ICT. With my team we're specialised in Digital transformation using latest technologies & methodologies, brand new fresh solutions without forgetting best practices learnt in the markets.

Previously last positions I covered:

Transformation & Solutioning director in Octotelematics S.p.A. where my role is to identify and to design the most valuable solutions for insurance partners in terms of Transformation use cases.

Donau Versicherung AG - Vienna Insurance Group - **Country Manager**

Gruppo Banca Esperia - Mediobanca Group, **Relationship Director** Institutional Clients Insurance

Pioneer Investments a former Unicredit company, **Senior Relationship Manager** Insurance

My latest degree is the achievement of the Executive Education Programmes of IEDC Business school of Bled.
